

# "millions now living will never die"

—Judge Rutherford

In a free lecture at the National Theater, Sunday afternoon, Judge Rutherford will conclusively prove by **FULFILLED** Biblical prophecy that millions of persons now living on earth will never die. Judge Rutherford says:

"**FULFILLED PROPHECY** conclusively proves that the Bible Students were right when more than forty years ago they began to proclaim to the people that 1914 would mark the beginning of the World War, followed shortly by famine, pestilence and revolutions in various parts of the world. They based their conclusions upon Biblical evidence. Even the clergy scoffed and ridiculed the message. Now the facts compel their silence. But the end is not yet. Jesus said: 'These things are but the beginning of sorrows.' **ANOTHER WARNING** is now given. Representatives of the Nations now Assembled at Washington: The scrapping of many battleships is a small thing compared to the many other stupendous problems demanding immediate solution. The nations and peoples are in distress and perplexity and everywhere 'men's hearts are failing them for fear.' **THERE IS A REASON.** There is a specific remedy. Everywhere the opinion is expressed: 'If the disarmament conference fails to establish a permanent peace, the whole world will shortly be plunged into chaos.' The conference is certain to fail, **UNLESS** the divine remedy is applied. Centuries ago God's holy prophets foretold the disturbed conditions now on earth, named the cause and the remedy. Why ignore Jehovah's Word and follow instead imperfect human reasoning, controlled largely by selfish interests? I appeal to you in the interest of humanity that you turn aside for an hour and calmly consider the advice the Lord caused to be written centuries ago but intended to apply at this time of distress and perplexity.

"**CITIZENS OF AMERICA**, your spiritual leaders are asleep or blind to the perils of the hour. They failed to warn you of the disastrous war of 1914 and caused to be imprisoned those who did warn you. They are now silent as to what is impending and immediately about to fall. This is the day of God's vengeance foretold by his prophets, which immediately precedes man's blessing on earth with everlasting life, liberty and happiness."

**JUDGE RUTHERFORD** in his thrilling lecture brings proof upon proof from Biblical authority as to the cause of earth's distress; that the kingdom of Messiah is at hand; that under his reign "they will beat their swords into plowshares; and the nations will learn war no more," and that **MILLIONS NOW LIVING WILL NEVER DIE.** The lecture is not a theological dissertation, but a plain and clear application of divine prophecy to present day events. The people are filled with sorrow. Countless millions mourn. This lecture comforts and reassures and lifts the load from burdened hearts. Hear it and be glad.

### AN UNSEEN PERIL

Representatives of foreign governments are aware of the fact that Judge Rutherford has been heard in the principal cities of the British Empire, continental Europe, Egypt and Palestine, in this world-famous lecture. The great Royal Albert Hall, London, was quickly packed out, while 15,000 more persons thronged the doors unable to gain admittance. It is not the man but the message that is attracting the world.

The rebuilding of Palestine by the Jews is agitating the entire thinking world. Judge Rutherford comes with first hand information concerning the prophetic significance of this, gained by personal inspection of conditions in Palestine, all of which is of greatest interest to Jew and Gentile alike.

Jesus and St. Paul were right in their statements that Satan is the supreme ruler of this world, influencing and controlling the minds of those who disregard God's Word. The so-called talking with the dead is another fraudulent scheme of Satan and his allies to entrap the mighty men of earth, inducing them to believe that they are being guided by supernatural power. Russia's rulers fell victims of these unseen powers through the mediumship of Rasputin. To his downfall, the Kaiser heeded the "inner voice," urging him to make war. Standing upon the battlefield during one of the raging battles of the World War and seemingly speaking to some unseen being, the Kaiser is said to have cried out "Who is responsible for this terrible war?" Other mighty men are being misled. Be not deceived, but arm yourself against the encroachment of demon power at this time of distress upon the nations. Remember, "Blessed is that nation whose God is Jehovah." In his new book, "Can the Living Talk With the Dead" Judge Rutherford exposes the deceptions of spiritism.
